The participants will have the opportunity to learn and use key tools in AES*PcLink*, such as Transfer Profile and Automated Responses. In addition, the participant will learn Schedule B search techniques and AES documentation lookup.

(You may bring samples of SEDs filed by your company for practice.)

Participation fee is \$60.00 per person, payable in advance by credit card only. No payments accepted at the door. For additional information and payment arrangement, please call our representative from the Automated Export System Branch at 1-800-549-0595.
